

SC-IC3

Premium In-Ceiling Speaker for Small Openings

High Performance 3.5" In-Ceiling Speaker with 4.75" Opening

The SC-IC3 3.5" in-ceiling speaker for small openings delivers dynamic and impactful sound in a compact form factor. Leveraging advanced technology and materials, its high-excursion carbon fiber woofer, massive aluminum tweeter, custom crossover design, and versatile installation options make it a top choice for those seeking premium performance without compromising on aesthetics.

With both round and square grilles included and flush mount kits available, the IC3 appeals to the most fastidious designer's needs.

Designed and engineered in the USA in tandem with the SC-IC-SUB8 In-Ceiling Subwoofer and SC4-100 Amplifier to deliver a complete audio system optimized for aesthetics, performance, and flexibility.

SC-IC3 Premium 3.5" Speaker for Small Openings

Features

- **3.5" Carbon Fiber Woofer**
Stiff, light, and incredibly strong—this compact woofer is transparent with low distortion
- **1" Aluminum Tweeter**
Proportionately massive to deliver dynamic detail at a lower crossover point
- **Custom Crossover with proprietary Capacitor Filter/Boost Circuitry**
Eliminates frequencies below the woofer range – enhancing bass for a punchy, rich sound
- **4.75" Cut-out Size**
Use a standard hole saw for a quick retrofit install
- **Optional Flush Mount Mudbank**
Grille sits flush with the surface for a near invisible aesthetic. *(sold separately)*

Accessories:

- SC-IC3-PCB | Pre-Construction Bracket
- SC-IC3-FLUSH-ROUND | Round Flush Mount Mudbank
- SC-IC3-FLUSH-SQUARE | Square Flush Mount Mudbank
